

Summer Term Celebrations

It has been a fantastic year in PE and we have noticed our children have been motivated and determined to achieve their very best in many different sports!

The participation levels for After School Sports Clubs have been building each term as well as lunchtime participation in sport too. Our children have been very active during the school day.

Well done to everyone and we look forward to celebrating another incredible year in PE.

Thank you to everyone who has supported the PE department this year, here are some memories to see how much our children have enjoyed PE lessons, After School Sports Clubs, Sports Day and Competitions.

WOW- The Walk to School Challenge!

Thanks to all of our children that are Walking, Wheeling or Scooting to school we are loving the active start to the mornings and we hope you are enjoying the badges in return. Keet it up! We would love to see all the badges in September and a big well done to Sophia and Arianne who is rocking all 8 badges.

Healthy Schools Week

The children have enjoyed many sporting activities whilst maintaining a healthy body and mind. They have spoken about what makes you healthy and how to support the many emotions they can experience.

PE Champions

A huge THANK YOU to the continued support from parents / carers who have encouraging their children to bring the correct PE kit to school.

This year the overall winning class for having every child in correct PE kit each week is...

The Unicorns

Congratulations and keep it up in your new class when we start the new school year.

Sports Day Success

Foundation Results

1st Honeybees

2nd Ladybirds

Key Stage 1 Results

1st Owls

2nd Badgers

3rd Foxes

4th Hedgehogs

Key Stage 2 Results

1st Crystals

2nd Jades

3rd Opals

4th Diamonds

1st Phoenix

2nd Unicorns

3rd Dragons

4th Griffins

The children had a fantastic time during their Sports Day, 50meter races, 75meter races, 100 meter races, 400meter races, relay and Tug of War. So many showed incredible resilience to get round the field for the 400meter race, without stopping! Well Done to each class and a great performance with the "Battle of the Classes" in Tug of War!

Lovely decorated posters too, which got everyone in to the spirit of Sports Day!

Keeeeeep Active during the summer holidays-

As a family or with friends, you can go to the park, splash park, go for a walk in the woods or along the canal.

We would love to hear or see pictures of the children staying active over the holidays, please share your adventures via Class Dojo.

Milton Keynes Play Association will be running Play Events for all primary ages at various areas. Summer Play Events are open at Rickley Park, West Bletchley. Visit the MKPA website for more information to sign up www.mkpa.co.uk

We look forward to another successful year of sports next year!

Have a lovely Summer Holiday, stay safe and stay active!
