

Summer Term 2024

Summer Term Celebrations

This term has been bursting with celebrations and achievement from all within PE, School Sports and After School Sport Clubs. Well done to everyone and we look forward to celebrating another incredible year in PE.

Young Sports Leaders

Excellent hard work from our Sports Crew. The young leaders have done a fantastic job helping out at lunchtimes on the MUGA and supporting cricket. New members will be selected in September to help with lunchtime sporting activities. Thank you Young Leaders your dedication to the job has been tremendous!

Healthy Schools Week

The children have enjoyed many sporting activities whilst maintaining a healthy body and mind. They have spoken about what makes you healthy and how to support the many emotions they can experience.

Thank You to all!

A huge Thank You to all, for the continued support from parents / carers encouraging their children to bring the correct PE to school.

This year the overall winning class for having every child in correct PE kit each week is...

The Ladybirds !!!!

Congratulations and keep it up in your new class when we start the new school year.

Sports Day Success

Foundation Results

1st Honeybees

1st Crystals

2nd Diamonds

3rd Opals

4th Jades

1st Phoenix

2nd Dragons

3rd Griffins

4th Unicorns

Keeeeeep Active during the summer holidays-

As a family or with friends, you can go to the park, splash park, go for a walk in the woods or along the canal.

We would love to hear or see pictures of the children staying active over the holidays, please share your adventures via Class Dojo.

Milton Keynes Play Association will be running Play Events for all primary ages at various areas. Summer Play Events are open at Rickley Park, West Bletchley. Visit the MKPA website for more information to sign up www.mkpa.co.uk

We would also like to recommend the popular 'Go Noodle' online 10 minute workouts. The children are familiar with this as they have done many in school as part of Healthy Schools Week.

School Games Values

We look forward to another successful year of sports next year!

Have a lovely Summer Holiday, stay safe and stay active!

Miss Stubbs and Mr Lands, PE Department
